Dear Members and Friend of the Fire/*Life* Safety Directors Association,

The Fire/Life Safety Directors Association will be hosting the 29th Annual **FLSDA** Memorial Golf Outing on **Monday, May 20, 2019** at the **Douglaston Golf Club, Douglaston, NY** and dinner at the **Douglaston Manor** (Queens County).

Our goal is to raise funds for the New York City Firefighters Burn Camp and other charities. The Burn Camp allows about three dozen kids ranging in age from eight to eighteen, all of whom have at one time or another suffered severe burn injuries, enjoy one fun-filled week at camp doing what other kids do in a summer camp – fishing, boating, swimming, archery, arts and crafts. The kids are assisted by an all-volunteer staff consisting for the most part of firefighters from different states, cities, and towns who donate a week of their vacation time.

We ask you to contribute to this worthy cause by purchasing at least one or more hole-sponsorship(s) at **\$200.00** per hole or contact us about other sponsorship opportunities...(Breakfast, Lunch, "19th Hole", Hats, T-Shirts)

Of course, we also welcome you to join us this day to play the course! Shotgun start time is 8AM sharp and will be limited to the first 144 players whose checks are received. A 7:00AM buffet breakfast is planned again this year as well as lunch at the turn, and a buffet dinner at the Douglaston Manor. Golf, cart, door prizes, awards, cocktail adjustment period, breakfast, lunch and dinner – all for **\$195.00 per golfer or \$780 per foursome**, with all proceeds going to charities.

Don't play golf? Join us for the cocktail hour and dinner; it's only **\$75.00**.

Singles, twosomes and foursomes are most welcome. Make your reservation today by sending a check payable to the **F.S.D.A. of N.Y.** and mail to: FSDA/NY, c/o ZSE, 99 Tulip Avenue, Suite 102, Floral Park, NY 11001.

For further information on hole sponsors or to contribute prizes or other donations, please contact Chairman Joe Razza at (917) 648-0673 or razza@zseengineering.com
